This is a sample form provided by the Ohio Department of Education that may be used to comply with the Head Start Performance Standards regarding dental examination and the data (45 CFR 1304.3-3,4,5). The annual dental exam by a dentist is an oral diagnostic procedure which should include radiographs (x-rays) only if the dentist determines that they are absolutely necessary. Deelopmental dental history should be part of health screening completed within 45 days of entrance.
