## 2023-24 Pre-Registration Information — EASTWOOD Preschool

Thank you for your interest in the Wood County Preschool. The Wood County Educational Service Center (WCESC) collaborates with Eastwood Schools to provide high-quality preschool programs for children and families.

Wood County Preschools are developmentally-appropriate, play-based programs serving children with and without special needs. Children with identified developmental delays are placed into preschool after an extensive assessment process.

Preschoolers attend four half-days per week (Tues-Fri) during either a morning or an afternoon session.

Placements for children without special needs are on a first-come, first-served basis, based on the vacancy available. Busing is generally not available for typically developing children.

If we receive your pre-registration and residency proof, we will confirm it by email. If you do not receive a confirmation, please contact the preschool secretary at 419-354-9010 or preschool@wcesc.org to make sure your pre-reg was received.

#### **Requirements:**

- \* Current proofs of residency (see below)
- \* Children without special needs must be 3 years old by August 1st to preregister
- \* Children without special needs must be fully toilet-trained to attend (no pullups)
- \* Copy of child's birth certificate & shot record will be required to attend. SSN card copy is requested.

**Location:** Pemberville Building

120 College Ave.

Pemberville OH 43450

Hours: A.M. class: 8:30 a.m. – 11:15 a.m. P.M. class: 12:10 p.m. – 3:30 p.m.

**Proof of Residency:** Eastwood Schools requires that **every student MUST provide proof of residency.** If proof is not attached to the Pre-Registration Form, it will not be accepted. **Please turn in the following:** 

#### Valid driver's license/state ID and 1 recent utility bill with current address.

If you are unable to provide the above items because you're living as guests with someone in the Eastwood District, a Residency Affidavit must be completed by you and the homeowner; the Affidavit MUST be notarized. The homeowner must also provide 2 proofs of residency (electric, gas, water, cable/ internet, mortgage statement, homeowner's Insurance bill). Please contact the WCESC Preschool Secretary at preschool@wcesc.org or 419-354-9010 to request this form.

Please read both sides carefully—keep this page sheet for future reference

### Please read both sides carefully—keep this page sheet for future reference

Children currently attending the preschool have first opportunity to return the following year. Children on the current year's preschool waiting list must pre-register again for the next school year. Placements are first-come, first-served, based on the vacancy available, regardless of whether a child is on the current year's waiting list or not.

#### **Pre-Registration Procedures:**

1. Complete the attached form and return it with proof of residency to the WCESC. If we receive your pre-registration documents, we will confirm it by either email or phone. If you do not receive a confirmation, please contact the preschool secretary at preschool@wcesc.org or 419-354-9010. Please allow extra time for confirmation if you mail. If possible, scanning or taking a clear snapshot and emailing your paperwork is currently the best option.

You will be notified by email or letter as soon as possible regarding your child's status. (If we do not receive a prereg form from you, we will assume you are no longer interested.)

2. If your child is placed, a Registration Packet will be sent to you. **Registration materials (including birth certificate and shot record) MUST be received prior to entrance into school!** Parent orientation info is sent out in August.

#### Tuition Information for Children Without Developmental Delays:

Tuition is not charged for children with identified special needs. A tuition of \$136.00 per month will be charged for typically developing children. Families with lower income (as determined by current Federal Income Guidelines) may be charged less than the full amount per month once they turn in compete income verification. Households with more than one typically developing child in the preschool are given a 25% discount on each additional child.

Tuition Contracts will be mailed to all children accepted into the preschool. Families who qualify to pay less than the full tuition amount <u>must</u> provide complete proof of income and complete all required income forms.

Families who will pay tuition will be mailed a set of invoices in August. Tuition for the month of September will be due in mid-August; tuition the last month of school (May) will be due on September 1 in order for your child to continue attending preschool. After that, **tuition is due on the 1st of each month**; if tuition is not paid by the 15th of each month, the child may be withdrawn. The child will not be able to return to preschool until the overdue amount is paid in full.

If, during the school year, your income level changes, please contact our office within one (1) month to determine your new tuition rate. If your child withdraws from the preschool before the school year ends, it is your responsibility to contact the WCESC office (419-354-9010) to be reimbursed for the May tuition. However, since vacation, calamity, and conference days have been taken into account, there will be no refund for absences of that nature, nor for absences due to a child's illness/quarantine. Excess calamity days will be made up.

Note: The Ohio Department of Education funds the Wood County Preschool Programs specifically for children with developmental delays. All district-resident children with special needs will be served by the Eastwood Preschool.

#### Information for children living outside the district:

Parents seeking open enrollment will be sent an Open Enrollment (OE) Application with their Pre-Registration form. If you do not receive the OE Application, please request it from the WCESC Preschool Secretary. Parents should return both the OE application & pre-reg to the WCESC Preschool Secretary as soon as possible, who will forward the forms to the Eastwood Superintendent's Office once the OE application period begins on May 1st.

The Eastwood Superintendent makes all decisions regarding open enrollment. Permission to pre-register does not quarantee enrollment.
