2020-2021 Pre-Registration Information — Powell Preschool

Thank you for your interest in the Wood County Preschool. The Wood County Educational Service Center (WCESC) collaborates with your local school district to provide high-quality preschool programs for children and families.

The Wood County Preschools are developmentally-appropriate, play-based programs serving children with and without special needs. Children with identified developmental delays are placed into preschool after an extensive assessment process.

Preschoolers attend four half-days per week (Mon/Tues/Thurs/Fri) during either a morning or an afternoon session.

Initial placements for children without special needs are based on age, the vacancy available, and/or grant-receiving factors, such as income level. Please return the pre-registration along with 2 proofs of residency as soon as possible.

If we receive your pre-registration and residency proof, we will confirm it by either email or phone. **If you do not receive a confirmation, please contact the preschool secretary at nstickles@wcesc.org. Scanning or taking a clear snapshot and emailing your paperwork to her is the best option. If you mail/fax it, please allow extra time for confirmation.**

Requirements:

- * **2 current proofs of residency (see below)**
- * **Children without special needs must be 3 years old by August 1 to pre-register.**
- * **Children without special needs must be fully toilet trained to attend.**
- * **Copy of child's birth certificate, SSN card & shot record will be required to attend.**

**Location: Powell Elementary
500 N. Main St.
North Baltimore, Oh 45872**

**Hours: A.M. hours: 7:55–10:40 a.m.
P.M. hours: 11:47–3:02 p.m.**

Children without special needs must be fully toilet trained and must be 3 by August 1, 2020 in order to be eligible for preschool

Proof of Residency: The district requires that every student MUST provide 2 proofs of residency. **If proof is not attached to the Pre-Registration, it will not be accepted.** You must provide any 2 of the following:

- Driver's License with current NB address
- Utility Bill (gas, electric, trash, water (not cell), from last 30 days)
- Purchase agreement (utility bill must be presented w/in 60 days)
- Current lease agreement (utility bill must be presented w/in 30 days)
- Voter Registration Card
- Building Permit (occupancy within 90 days)

If you are unable to provide any of the above items because you are living as guests of a North Baltimore Resident, request a Residency Verification form, which must be notarized. Completion of this form along with 2 proofs of residency from the NB Resident is required.

Please read both sides carefully—keep this page sheet for future reference

Please read both sides carefully—keep this page sheet for future reference

Children currently attending the preschool have first opportunity to return the following year. Children on the current year's preschool waiting list must pre-register again for the next school year. Placements are based upon age, the vacancy available, and/or grant-receiving factors, such as income level, regardless of whether a child is on this year's waiting list or not.

Pre-Registration Procedures:

1. Complete the attached form and either drop off or mail along with 2 proofs of residency to the WCESC, 1867 N. Research Dr., Bowling Green, Oh 43402. Or you may email it to the preschool secretary at nstickles@wcesc.org. If we receive your pre-registration and residency proof, we will confirm it by either email or phone. **If you do not receive a confirmation, please contact the preschool secretary at nstickles@wcesc.org. Please allow extra time for confirmation if you mail or fax it. If possible, scanning or taking a clear snapshot and emailing your paperwork is currently the best option.**

You will be notified by email or letter as soon as possible regarding your child's status. **(If we do not receive a pre-reg form from you, we will assume you are no longer interested.)**

2. If your child is placed, a Registration Packet will be sent (required are birth certificate, social security card, and shot record.) **Registration materials MUST be completed prior to entrance into school!** We will send parents orientation information in August.

Tuition Information for Children Without Developmental Delays:

Tuition is not charged for children with identified special needs. A tuition of \$136.00 per month will be charged for typically developing children. Families with lower income (as determined by current Federal Income Guidelines) may be charged less than the full amount per month once they turn in complete proof of income. Households with more than one typically developing child in the preschool are given a 25% discount on each additional child.

Tuition Contracts will be mailed to all children accepted into the preschool. Families who qualify to pay less than the full tuition amount must provide complete proof of income.

Families who qualify to pay tuition will be mailed a set of invoices in August. Tuition for the month of September will be due in mid-August; tuition the last month of school (May) will be due on September 1 in order for your child to continue attending preschool. After that, **tuition is due on the 1st of each month**; if tuition is not paid by the 15th of each month, the child will be withdrawn. The child will not be able to return to preschool until the overdue amount is paid in full.

If, during the school year, your income level changes, please contact our office within one (1) month to determine your new tuition rate. If your child withdraws from the preschool before the school year ends, it is your responsibility to contact the WCESC office to be reimbursed for the May tuition. However, since vacation, calamity, and conference days have been taken into account, there will be no refund for absences of that nature, nor for absences due to a child's illness. Excess calamity days will be made up.

Note: The Ohio Department of Education funds the Wood County Preschool Programs specifically for children with developmental delays. In the rare instance that there are no more openings for special needs preschoolers, the state department mandates that the special needs child may have to replace a child with typical development.

Information for children living outside the school district:

North Baltimore does **not** allow open enrollment of preschoolers. Parents who move out of the NB school district mid-year must contact their teacher and/or the Powell office as soon as possible.
