2020-2021 Pre-Registration Information — Northwood Preschool

Thank you for your interest in the Wood County Preschool. The Wood County Educational Service Center (WCESC) collaborates with your local school district to provide high-quality preschool programs for children and families.

The Wood County Preschools are developmentally-appropriate, play-based programs serving children with and without special needs. Children with identified developmental delays are placed into preschool after an extensive assessment process.

Preschoolers attend two full days per week (Mon/Tues or Thurs/Fri). Northwood provides busing w/in the district.

Placements for children without special needs are on a first-come, first-served basis, based on the vacancy available and/or factors such as income level or age. Preference may be given to underprivileged children.

If we receive your pre-registration and residency proof, we will confirm it by either email or phone. **If you do not receive a confirmation, please contact the preschool secretary at nstickles@wcesc.org.**

Requirements:

- * **2 current proofs of residency (see below)**
- * **Children without special needs must be 3 years old to pre-register.**
- * **Children without special needs must be fully toilet trained to attend.**
- * **Copy of child's birth certificate, SSN card & shot record will be required to attend.**

**Location: Northwood Elementary
600 Lemoyne Rd.
Northwood, Oh 43619**

**Hours: 8:15 a.m. – 3:15 p.m. 2 days/wk
(Mon/Tues OR Thurs/Fri)**
(if any information changes, parents will be informed as soon as possible)

**Children without special needs MUST be fully toilet trained and 3 years old
Enrollment after start date will be based on current enrollment and is not guaranteed**

Proof of Residency: Northwood requires **2 different types of proof of residency** (2 different types of documents, 1 each from items 1-4, dated within the last 30 days unless otherwise noted). If proof of residency is not attached to the Pre-Registration Form, it will not be accepted.

1. Valid Driver's License (with local address)
2. Utility Bill (gas, electric, phone (not cell), dated within the last 30 days)
3. Building permit (occupancy within 90 days)
4. Purchase or lease agreement (dated within the last 30 days)

ONLY IF you are unable to establish residency with Items 1-4, then complete the Residency Verification form, which must be notarized.

Please read both sides carefully—keep this page sheet for future reference

Please read both sides carefully—keep this page sheet for future reference

Children currently attending the preschool have first opportunity to return the following year. Children on the current year's waiting list must pre-register again for the next school year.

Pre-Registration Procedures:

1. Complete the attached form and either drop off or mail along with 2 proofs of residency to the WCESC, 1867 N. Research Dr., Bowling Green, Oh 43402. Or you may email it to the preschool secretary at nstickles@wcesc.org. If we receive your pre-registration and residency proof, we will confirm it by either email or phone. **If you do not receive a confirmation, please contact the preschool secretary at nstickles@wcesc.org. Please allow extra time for confirmation if you mail it. If possible, scanning or taking a clear snapshot and emailing your paperwork is currently the best option.**

You will be notified by email or letter as soon as possible regarding your child's status. (If we do not receive a pre-reg form from you, we will assume you are no longer interested.)

2. If your child is placed, a Registration Packet will be sent (required are birth certificate, social security card, and shot record.) **Registration materials MUST be completed prior to entrance into school!** We will send parents orientation information in August.

Tuition Information for Children Without Developmental Delays:

Tuition is not charged for children with identified special needs. A tuition of \$136.00 per month will be charged for typically developing children. Families with lower income (as determined by current Federal Income Guidelines) may be charged less than the full amount per month once they turn in complete proof of income. Households with more than one typically developing child in the preschool are given a 25% discount on each additional child.

Tuition Contracts will be mailed to all children accepted into the preschool. Families who qualify to pay less than the full tuition amount must provide complete proof of income.

Families who qualify to pay tuition will be mailed a set of invoices in August. Tuition for the month of September will be due in mid-August; tuition the last month of school (May) will be due on September 1 in order for your child to continue attending preschool. After that, **tuition is due on the 1st of each month**; if tuition is not paid by the 15th of each month, the child will be withdrawn. The child will not be able to return to preschool until the overdue amount is paid in full.

If, during the school year, your income level changes, please contact our office within one (1) month to determine your new tuition rate. If your child withdraws from the preschool before the school year ends, it is your responsibility to contact the WCESC office to be reimbursed for the May tuition. However, since vacation, calamity, and conference days have been taken into account, there will be no refund for absences of that nature, nor for absences due to a child's illness. Excess calamity days will be made up.

Note: The Ohio Department of Education funds the Wood County Preschool Programs specifically for children with developmental delays. In the rare instance that there are no more openings for special needs preschoolers, the state department mandates that the special needs child may have to replace a child with typical development.

Information for children living outside the school district:

Per Northwood Schools' policy, preschoolers living outside the Northwood School district may be approved to open enroll if there is not a waiting list of NW residents and if the child meets one of the following criteria:

1. The child's parent is an employee of the Northwood School District; **or**
2. The child meets age and income eligibility requirements for the Early Childhood Education (ECE) Grant. Please contact the WCESC preschool secretary to learn if your child meets the ECE requirements.

Note: Open enrollment is **not** guaranteed all year. If a waiting list of Northwood School District residents develops at any point, the open enrolled child will need to unenroll. Open enrolled preschoolers may need to change sessions and/or teacher at any time (perhaps even multiple times) due to enrollment changes throughout the year. Being allowed to open enroll for preschool does **not** guarantee the child will be accepted to open enroll for kindergarten.

NORTHWOOD LOCAL SCHOOLS — APPLICATION FOR ATTENDANCE (RESIDENCY VERIFICATION)

According to Ohio's Special School Attendance Law, students can only attend school tuition-free (preschoolers pay tuition based on a sliding-fee scale) in the district where his/her "biological-custodial parent" resides. Per Ohio Revised Code, **residence** is defined as: "A place where important family activity takes place during significant parts of the day. It must be a place where the family eats, sleeps, works, relaxes, and plays—in short which can be called 'home.'" (Kenton City Board of Ed. v. Day, 30 O.B.R. 289 Ohio Misc 2nd 25-Harding Co., C.P.; July 15, 1986.

In absence of proof of a property lease or home deed you are required to verify your residence in Northwood with a friend or relative by completing section I, II, and III of this document. This document may be used in court if a dispute between school and parent arises concerning place of residence.

THIS APPLICATION MUST BE COMPLETED AND SIGNED IN THE PRESENCE OF A NOTARY PUBLIC.

I hereby certify that I am the legal/custodial parent of the above-named child and am resident with the above resident at his/her address and meet the above definition of residence.

requirements for "residency." I further agree to notify Northwood Schools if any change in status occurs.

The Parent's place of residency determines the school district in which a child may legally enroll. According to Ohio Tuition Law, the resident of a school district who permits a non-resident to reside with them, or unlawfully use their address to enroll in school, can be held responsible for paying all tuition due.

It is understood that fraudulent reporting of residency for school attendance purposes is a violation of State law and could result in prosecution of all related parties, in a court of law.

SECTION III: (To be completed by the Notary Public)
