THE  
PARENT  
PROJECT.

Changing Negative  
Adolescent Behaviors

# ABOUT THE PARENT PROJECT

- The Parent Project provides activity-based instruction, support groups, and curriculum addressing the most destructive of adolescent behavior.
- With a nationwide proven track record, the Parent Project reduced juvenile crime by one third, while significantly improving both school attendance and performance in one community.

---

The program utilizes behavior modification approaches. Parents who have completed the course show success in dealing with children. The Parent Project will help you accomplish these goals!

# HOW DOES IT WORK

- Helps parents demonstrate their love for their children
- Learn to parent without arguing with your strong-willed child!
- Teaches intervention/prevention strategies for school attendance and performance, drug and alcohol use, negative peer association, violence, and bullying
- Improves parent/child relationship
- Offers ongoing emotional and practical support for the family

# PARENT PROJECT OF WOOD COUNTY

Share with other parents who are facing similar challenges!  
You are not alone.

Parents participate and learn in a classroom model to manage teen behavior problems at home.

Parents receive and practice with an activity-based 218-page curriculum.

Offered various locations around Wood County each year:

- 10 week sessions typically beginning the first week of September and the first week of March.
- Cost is \$20.00. A refund is available if you attend all scheduled sessions.
- Parents meet one night per week. Each session lasts an average of 2 hours.
