Supplies: If your child is able to complete their grooming and hygiene routine at home before school and come to school work ready that would be great. We will focus on Grooming and Hygiene after lunch for everyone when we are at the apartment, and in the morning on an individual basis (as needed).

- * 2 toothbrushes one for fall and one for Jan
- * comb/brush
- * one box of tissues
- * 3 liquid hand soaps
- * change of clothes (if needed)
- * 2 pencils
- * age-appropriate wallet to keep at school to make purchases
- * watch – only if they can tell time or it is on their IEP
- * age-appropriate lunch box with ice pack, that will fit into the large backpack, as in the community we do not have access to a refrigerator, a microwave, silverware & napkins.
- * tooth paste
- * deodorant
- * age-appropriate large **backpack**
- * body/baby wipes (if needed)

The classroom will provide one composition notebook to be used as a communication book, and one other composition notebook to be used as a work journal. These will go back and forth between home and school.

Dress Code:

Tan or black work pants or shorts (no jeans or sweatpants),
Work appropriate shirts: solid colors (no cartoons or pictures... small logos are okay),
Work appropriate shoes for standing and walking in (tennis shoes are good).

Independence: Think about your child's independence and fine motor skills at lunch time, pack food in containers they can independently open, and foods that they can eat without making a mess.

Thank you!
