

Updated classroom supply list for 2022-2023 Adam Jolliff

1 dozen #2 pencils

200 sheets of lined paper

1 – 4 packs of dry erase markers (fine point)

3 boxes of Kleenex

1 large container of Clorox wipes (if you can find them)

1 small bottle of hand sanitizer (if you can find it)

1 box of colored pencils

1 box of markers, assorted colors (the 8 or 12 pack will be fine)

1 pack of crayons, assorted colors (the 24 or 36 pack will be fine)

1 3 ring binder

5 folders with pockets and holes that can go inside the binder

If you cannot find everything, that's fine, just try your best. I have some materials, we are just trying not to share too much this year. If you need a little time to get stuff, that's fine too. Please don't stress about this, let me know if you have any questions. Thanks and have a great day.
