August 1, 2022

Dear Parents and Guardians,

Welcome back to the 2022-23 school year with the Wood County Educational Service Center.

We look forward to an exciting year as we partner with our districts, families, and community agencies/businesses to continue providing high-quality services and educational programming for your children from kindergarten through graduation and into adult services. We hope you have all enjoyed a safe and fun summer.

We truly appreciate your continued support in ensuring your child is prepared to learn every day as we do our best to maintain a safe and healthy learning environment. We are confident the 2022-23 school year will be more regular, and we will be able to continue more of the activities we had to halt due to COVID protocols. If you have concerns about what that means for your child, please do not hesitate to contact us.

Enclosed in this packet will be your child's classroom and teacher assignment, open house dates, supply list, district calendar, free and reduced lunch forms specific to the attending district, and emergency forms. **Please complete the enclosed forms and return them to your child's teacher on the first day of school.** We also ask you to read through the Parent Handbook, as this is a valuable program resource.

Teachers will follow their district work calendars before the beginning of school if you need to contact them before the start of the school year.

If you have questions or concerns and cannot reach your child's teacher at the school building, please contact us at the WCESC at 419-354-9010.

Sincerely,

Diane Witt, WCESC Special Education Coordinator
Joe Taylor, WCESC Special Education Supervisor
