Wood County Prevention Coalition Resource Guide 2017

Greetings!

Welcome to the latest edition of the Wood County Prevention Coalition Resource Guide! We continue to strive to create a concise, cumulative and informative listing of the diverse prevention programs offered throughout Wood County. While we have worked diligently to have a complete listing of prevention programs, we recognize that this guide is a work in progress. It is our hope that additional prevention programs will be added as they are developed and/or identified. If you have any questions or comments about this guide, please e-mail Milan Karna with the Wood County Prevention Coalition at mkarna@wcesc.org, or Greg Van Vorhis at the Wood County Educational Service Center (WCESC) at gvanvorhis@wcesc.org

Remember that you also can view the resource guide, and download it online at www.wcprevention.org. You can also view a list of the coalition's sector leaders at http://wcprevention.org/?page_id=59

We hope you find this guide informative and helpful in identifying prevention programs for youth, families, and community members!

Sincerely,

The Wood County Prevention Coalition Officers

Kyle Clark, Program Director, Wood County Prevention Coalition

Milan Karna, Program Coordinator, Wood County Prevention Coalition

Chief Tony Hetrick, Coalition President, Bowling Green Police Division

Francesca Leass, Coalition Vice-President, Children's Resource Center

Jennifer Campos, Coalition Secretary, Wood County Health District

“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it's the only thing that ever has.”

Where: Various locations in Wood County

When: Year round. Programs may be scheduled through Chief Ranger Todd Nofzinger at 419-575-7336.

Desired Outcome: Teach youth traffic laws and safe techniques for bicycle riding

Agencies: Wood County Park District Ranger Staff.

Block Watch

Type: Law enforcement

Who is Served: Bowling Green residents

Where: Bowling Green, Wood County

When: Year round

Desired Outcome: Block Watches are neighborhood-run. The Bowling Green Police Department only offers assistance/information for those neighborhoods that wish to start a block watch. These neighborhood groups manage themselves; they hold meetings and set up patrolling times. The BGD assigns Block Watch member numbers to the group members. This speeds up the process of reporting information to the police when they call. To be a recognized Block Watch these groups must have at least one yearly meeting.

Agencies: Bowling Green Police Department, Wood County Sheriff's Office

Bobcat P.L.U.S. (Positive Living Utilizing Skills)

Type: Educational

Who is Served: Bowling Green high school students

Where: Bowling Green High School

When: School year

Desired Outcome: This program is curriculum-based and taught at Bowling Green High School. It is a follow-up to the E.Z. P.L.U.S. program and demonstrates the differences between the juvenile court system and the adult court system. Drinking and driving is also addressed since many of the students are now driving or will be soon. This program is taught based on scheduling needs of the school.

Agencies: Bowling Green Police Department

Breast and Cervical Cancer Screening Program

Description of program: Assistance with eligibility determination allowing uninsured women over age forty to obtain breast and cervical cancer screening. Wood County Health and Wellness Center Adult Clinic is one site where services may be obtained. Medicaid eligibility conferred on women diagnosed through this program.

Who is Served: Uninsured women over age 40

Where: The application is taken at Wood County Health District. Several providers cooperate with the program. The program is part of a 10 county consortium managed by the Fulton County Health Department.

When: Ongoing

Desired Outcome: Improved mortality rates due to early detection and treatment of breast and cervical cancer.

Cost: Income eligibility requirements.

Agencies: The Wood County Community Health and Wellness Center

Bureau for Children with Medical Handicaps

Description of program: A diagnostic component assists with referrals to specialists and the expenses associated with the initial diagnosis. Ongoing treatment includes service coordination to families with special health care needs. The program includes a payer of last resort component whereby families that exceed their insurance limits and meet financial eligibility may have assistance with medical bills, when the provider is enrolled in the Ohio system, and special supplies that are required for the child's medical condition. Contact BCMH Nurse.

Who is Served: Children birth to age 21 with special health care needs.

Where: Home visits. May include visits to school, medical appointments, special clinics, or Health District.

When: Health District hours 8:30 A.M. to 4:30 P.M. Monday through Friday. Visits at other hours may be possible to meet the needs of the family.

Desired Outcome: All children will have optimal health and maximal achievements.

Cost: No cost to family. Diagnostic assistance is provided as a payer of last resort. Eligibility for assistance with treatment is based on family income and may involve a spend-down component. Eligibility is also based on medical diagnosis.

Agencies: Wood County Health District

Cash Assistance, Food Assistance, and Medicaid

Ohio Works First (OWF) (TANF)

- Emphasizes employment first. It includes job search and preparation plus services to prevent job loss. Temporary cash assistance is provided to families with minor children up to age 18 (19 if still in school) if employment is not available or is inadequate. Recipients are limited to 36 months of cash assistance effective October 1, 1997. After the 36 months expires, there may be up to an additional 24 months of cash if a hardship or good cause (as determined by the CDJFS) exists.

Food Assistance

- Known nationally as the Supplemental Nutrition Assistance Program (SNAP), this program helps eligible needy Ohioans pay for food. Ohioans may qualify for benefits if their gross monthly household income is at or below 130% of federal poverty guidelines. If someone is elderly or disabled they may have income above 130% and still qualify. Recipients use an electronic benefits transfer card-Ohio Direction Card- to buy food or food products with the exception of alcohol, tobacco and hot foods.

Medicaid

- **Coverages**
 - Pays doctor, hospital, prescription expenses, dental and optical coverage.
 - Provides nursing home care for those determined to be eligible.
 - Waiver services-funds in-home care to prevent institutionalization.
- **Programs**
 - **Adult Extension:** Medicaid coverage for individuals ages 19-64.
 - **Parents and Caretaker Relatives:** Medicaid coverage for parents and caretaker relatives with children under 18 (19 if still in school)
 - **Pregnant Women:** Medicaid coverage for women throughout the pregnancy and 60 days postpartum,
 - **Children:** Medicaid coverage for children up to age 19. Coverage for Children in families with incomes above 156% of the federal poverty level is available only if the children have no other creditable health insurance.
 - **Presumptive Eligibility for Children:** Immediate, time-limited Medicaid coverage for children up to age 19.
 - **Presumptive Eligibility for Pregnant Women:** Immediate, time-limited Medicaid coverage for pregnant women.
 - **Refugee Medical Assistance (RMA):** Time-limited Medicaid coverage for refugees. The program provides a medical screening and other medical services to qualified aliens.
 - **Alien Emergency Medical Assistance (AEMA):** Medicaid coverage for the treatment of emergency medical conditions for certain individuals who meet all Medicaid requirements other than the citizenship requirements.
 - **Transitional Medical Assistance (TMA):** Twelve months of continuous Medicaid coverage for families who would otherwise lose coverage because a family member got a new job or is earning more money.
 - **Children in Care/Former Foster Children in Care:** Medicaid coverage for children in the custody of a public children services agency, in receipt of foster care or adoption assistance under Title IV-E, or in receipt of state or federal adoption assistance. Children's Services

Children's Services provides a number of services to Wood County residents regardless of financial status.

Investigation/Assessment

- Receive & investigate reports of child abuse & neglect
- A comprehensive investigation & risk assessment is completed to determine what services or referrals the children & family need.

Protective Services

- Home based contact with the family in an effort to prevent abuse & neglect & strengthen the family
- Families are provided with community resources, education, guidance, & support.

Placement Services

- If children are unable to remain in their own homes or with relatives, the agency will request temporary custody from the Juvenile Court. Children are then placed in foster homes, group homes, or residential treatment settings. The agency always seeks the least restrictive placement for children & works with the family toward reunification.

Foster Home Certification

- Recruits, assesses, trains, & supports foster families
- Those meeting the state requirements will be certified.
- Ongoing training & support is provided to all foster families.

Adoption Services

- Finds appropriate permanent families for children who are available for adoption
- Home studies & certification requirements are completed on families who wish to adopt children.
- Post adoption services are also available.

Children's Services Unit

- The Wood County Department of Job and Family Services, Children's Services Unit works with children from birth to age 18 and their families. The agency can work with a child who has been diagnosed with a Developmental Disability until the age of 21. Children's Services investigates reports of child abuse and neglect, completes a comprehensive family assessment, and determines what services or referrals are needed for the children and family. If it is determined that protective or placement services are necessary, the agency files a complaint through the Juvenile Court. The goal of protective services is to preserve the family unit by strengthening the parent's ability to provide a safe environment for their children. This program seeks to prevent future abuse and neglect before the situation advances. Placement services involve children who are in the agency's temporary custody. The agency works to reunify the children with their family and prevent future maltreatment.

B.G. TRANSIT

*“Public transportation
for everyone”*

Need a ride? Consider using the B.G. Transit, Bowling Green’s public transportation system. It operates within the corporation limits of the city of Bowling Green, and all B.G. Transit vehicles are handicap accessible. Hours of operation are Monday through Friday 6:00 a.m. until 8:00 p.m. and Saturdays 10:00 a.m. until 4:00 p.m. The general fare is \$3.50, but with a B.G. Transit ID card, reduced fares are available for persons aged 65 years or older, children (4-13 years of age) and those with disabilities. Children under the age of 4 and personal care attendants ride for free.

To schedule a ride, please call:
1-800-579-4299

For persons with speech and/or hearing impairments, contact us through the Ohio Relay Network at:
1-800-750-0750 (hearing)
1-800-750-9097 (speech)

To learn more about the B.G. Transit, check out our website:
<http://www.bgohio.org/grants/transportation> or contact us at (419) 354-6203. The B.G. Transit is funded, in part, through the City of Bowling Green and grant funding from the Ohio Department of Transportation (ODOT) and the Federal Transit Administration (FTA).
