WCA SERVES LUNCH TO THE WCESC!

10/14/2022

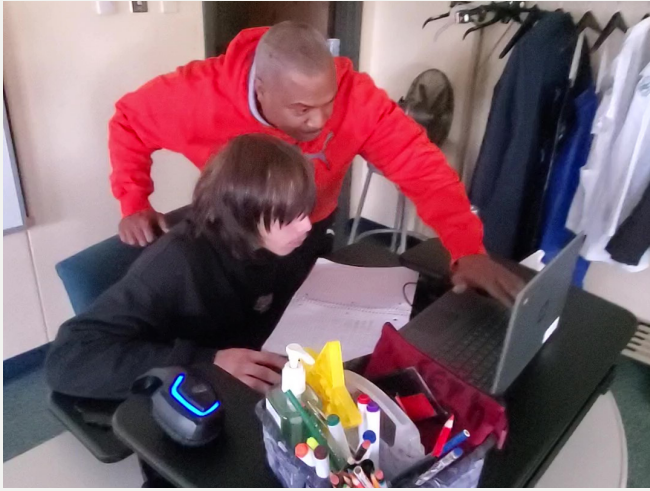

The students of the Wood County Academy (WCA) served lunch to the staff of the Wood County Educational Service Center (WCESC) on Friday, October 14th. The students were in charge of setting up, serving the food, and cleaning up. The staff were eager to meet the students since we have moved into the new classroom here at the WCESC!

NEW SCIENCE TEACHER

This school year at WCA, we welcome our new classroom teacher, Ms. Burriss. Ms. Burriss has a teaching background in science and has brought her knowledge into the classroom! Which means sometimes the students have to go outside to do their messy experiments! Here the students are seen with Ms. Burriss making Elephant Toothpaste.

Classroom News

NEW CO-TEACHER

Mr. Moody also joined the WCA team this year! He comes from a behavioral specialist background and was a professional athlete! Here Mr. Moody is seen helping one of our students on their American History class.

STUDENTS AND TEACHERS

The teachers and students here at the WCA have started the year off GREAT! We are all looking forward to what the rest of the year has to offer!
